Friendship	Monday	Read Aloud	Literacy	Today's read aloud is presented by Storyline Online. You will listen to Chester's Way read by Vanessa Marano & Katie Leclerc. "Chester and Wilson had their own way of doing things, and they did everything together. When they cut their sandwiches, it was always diagonally. When they rode their bikes, they always used hand signals. If Chester was hungry, Wilson was too. They were two of a kind, and that's the way it was - until indomitable Lilly, who had her own way of doing things, moved into the neighborhood." Check out the accompanying resource that includes before, during, and after reading strategies related to Chester's Way .
