Fun in the Kitchen	Monday	Read Aloud	Literacy	Today's read aloud is presented by Storyline Online. You will listen to Arnie the Doughnut read by Chris O'Dowd. "At first glance, Arnie looks like an average doughnut - round, cakey, iced and sprinkled, with a hole in the middle. He was made by one of the best bakeries in town, and admittedly his sprinkles are candy-colored. Still, a doughnut is just a doughnut, right? WRONG! Not if Arnie has anything to say about it. And, for a doughnut, he sure seems to have an awful lot to say. Can Arnie change the fate of all doughnuts - or at least have a hand in his own future?" Check out the accompanying resource that includes before, during, and after reading strategies related to Arnie the Doughnut.
